*For Regulating the Supply of Water by the City Waterworks.*

**W**HEREAS by the Corporation of Victoria Waterworks Act, 1873, the Municipal Council of the City of Victoria are authorized and empowered to make such by-laws as to them shall seem requisite and necessary for (inter alia) regulating the time, manner, extent, and nature of the supply by the said works, the tenement or parties to which and to whom the same shall be furnished, the price or prices to be exacted therefor, and each and every other matter or thing relating to or connected therewith which it may be necessary or proper to direct, regulate or determine for issuing to the inhabitants of the City a continued and abundant supply of pure and wholesome water.

Be it therefore enacted by the Municipal Council of the Corporation of the City of Victoria, as follows:—

1. The owner or occupier of each building using the water of the said Waterworks shall, at his own expense, lay down and provide, and at all times maintain and keep in good condition all the pipes and apparatus upon his premises or for his use of the description and subject to the rules following, namely: Such pipes shall be anti-corrosive and laid to a depth of not less than 12 inches below the surface of the ground and be provided with a sufficient number of stop and waste cocks, with handles placed above the surface of the ground by which the water can be shut off and all pipes exposed to frost drained dry when required; and no consumer shall run or allow to run water to waste either to prevent pipes from bursting by frost or otherwise.

Every self-acting or pull-down water-closet must be of a description approved by the Water Commissioner or Engineer. The double valve service boxes must be provided with a ball tap of the approved kind, half an inch in diameter. Where any such slough, drain, ashpit, manure hole, or other place shall be in the unavoidable course of the water pipe, such pipe shall be passed through an exterior cast-iron pipe or box of sufficient length and strength to afford due protection to the water pipe and to bring any leakage or waste within the means of easy detection.

8. Every water-meter must (unless otherwise specially agreed) be provided with a separate inlet pipe leading from the main or other pipe of the said Waterworks, upon which inlet pipe no stop-cock or other outlet leading to or connected with the premises for the supply of which such meter is fixed shall be attached.

9. If any consumer of the water of the said Waterworks shall refuse, neglect, or fail to comply with any of the regulations of this by-law, it shall be lawful for the Water Commissioner, without prejudice to any other remedy which he may have, or penalty which may have been incurred, to shut off the supply of water from the said Waterworks to such consumer.

10. No water shall be supplied from the said Waterworks for the purpose of irrigation only, unless by permission of the Water Commissioner.

11. No plumber or other workmen shall be allowed to do or perform any work connected with the supply of water from the said Waterworks until he shall have been admitted, enrolled and published by the Water Commissioner as an authorized Waterworks plumber and shall have entered into a written engagement to conform to and comply with the by-laws, rules and regulations of the said Corporation in relation to the construction and management of the works and fittings to which such by-laws, rules and regulations shall from time to time apply; and all responsible master plumbers whose names have not been erased, as hereinafter provided, shall on expressing their willingness to comply with such by-laws, rules and regulations be admitted immediately on signing an undertaking to that effect; and if at any time afterwards any such plumber shall willfully break or evade any such by-laws, rules or regulations, either by himself or any of his workmen, or shall refuse to communicate any information required of him in regard to any work done by him or any of his workmen, or under his superintendence, or on his responsibility, the Water Commissioner shall cause his name to be erased from the list of authorized plumbers, and shall be forthwith advertised as having been struck off.

12. Until otherwise ordered by the Water Commissioner by notice to be published seven days before taking effect, from the 1st day of April to the 30th day of September both inclusive in each year, no consumer of the water of the said Waterworks shall use

13. In every case in which a building or block of buildings is occupied under two or more separate tenancies, each of such tenancies shall for the purposes of this by-law be considered as a separate building, and shall not be supplied with the water of the Waterworks except by means of a separate pipe laid from the outer edge of the sidewalk with a proper stop-cock; but an office or room, or flat of offices or rooms, not being on the main floor of a building, shall not be considered as a separate tenancy.

### A BY-LAW

*Authorizing the Sale of Lands within the District of Surrey upon which Taxes have been due in arrear for three years.*

WHEREAS it is expedient that all lands or parcels of land within the District of Surrey, upon which Taxes have been due and in arrear for three years, shall be sold and the proceeds applied in the reduction of such taxes.

Be it enacted, therefore, by the Reeve and Councillors of the Corporation of the District of Surrey:—

1. The Collector of the Municipal Council of the District of Surrey is hereby authorized and directed, whosoever taxes on any land have been due for the period of three years before the passing of this by-law, to submit to the Reeve of the District of Surrey a list, in duplicate, of all the lands liable under the provisions of this by-law to be sold for taxes, with the amount of arrears against each lot set opposite the same, and the Reeve shall authenticate such list by annexing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Corporation and the other shall be returned to the Collector with a warrant thereto annexed under the hand of the Reeve and the seal of the Corporation, commanding him to levy upon the land for the arrears due therein with his costs.

2. The Collector shall prepare a copy of the list of lands to be sold and shall include therein in a separate column, a statement of the proportion of costs, chargeable on each lot, for advertisement and the commission authorized by this by-law to be paid to him, and shall cause such list to be published in some newspaper, having a circulation in the district of New Westminster, for a period of thirty days preceding such intended sale.

3. The advertisement shall contain a notification that unless the arrears and costs are sooner paid he will proceed to sell the land for the taxes, on a day, a time and at a place named in the advertisement.

4. The Collector shall at least thirty days before the time of sale, also deliver to or deposit in the Post-office to the address of the owner of such property which is to be sold for taxes as aforesaid, or to the agent of such owner, a notice in writing of the amount of taxes due, and that the property is to be sold for arrears so due, and in case the address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and shall also, at least three months before the time of sale, post a notice similar to the above advertisement in some convenient and public place, that is to say, at the Council Chamber and in the Post office building nearest thereto, in the District of Surrey.

5. The day of sale shall be the ninetieth day after the publication of such list, exclusive of the day of

such publication, except in case the said ninetieth day shall fall on a Sunday or holiday, in which case such sale shall take place on the following day at the Council Chamber in the District of Surrey, and shall begin at twelve o'clock noon.

6. If at any time appointed for the sale of the lands no bidders appear the Collector may adjourn the sale from time to time.

7. If the taxes have not been previously collected or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale, and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such lands for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall, in all cases, be prima facie evidence of the correct amount due.

8. If the Collector fails at such sales to sell such land for the full amount of arrears of the taxes due, he shall, at such sale, adjourn the same until a day to be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such land for any sum he can realize and shall accept such sum as full payment for such arrears of taxes.

9. If the purchaser of any property or parcel of land fails immediately to pay to the Collector the amount of the purchase money the Collector shall forthwith again put up the property for sale.

10. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds of such sale to the said Clerk.

11. The Collector, after selling any land for taxes, shall give a certificate under his hand to the purchaser, stating distinctly what part or proportion as the case may be of the land, and what interest therein have been sold, or stating that the whole lot, section or estate has been so sold and describing the same, and also stating the quantity of land, the sum for which it has been sold and the expense of sale, and further stating that a deed conveying the same to the purchaser or his assigns, according to the nature of the estate or interest sold, will be executed by the Clerk of the Corporation and the Reeve on the demand of the purchaser or his assigns at any time after the expiration of one year from the date of the certificate, if the land be not previously redeemed.

12. The Collector shall be entitled to twelve per centum commission upon the sum collected by him as aforesaid.

13. This by-law may be cited for all purposes as "The Surrey Real Estate Tax Sale By-Law, 1885."

Passed by the Municipal Council this eighteenth day of April, 1885.

Reconsidered and adopted and the Seal of the Corporation appended hereto this sixteenth day of May, A.D. 1885.

Reeve.
